

Liberty® Web

It's not just about the brightness or shade, but the two working together.

Liberty® provides you with a cleaner, whiter sheet that delivers just the right amount of contrast, making images and details really stand out. Exceptional whiteness with great print gloss result in images with crisp aesthetics, excellent image definition and print snap.

Attributes:

- Excellent balance between high quality print images and the bottom line
- Matching offset/gravure for cost-effective customization
- Variety of basis weights and finishes
- CoC certification and recycled options available

Applications:

- Commercial print applications
- Covers and text for magazines and catalogs
- Custom publishing

Verso Corporation is a leading North American producer of printing papers, specialty papers and pulp. Our printing papers are used primarily in commercial printing, media and marketing applications, including magazines, catalogs, books, direct mail, corporate collateral and retail inserts. Our specialty papers are used primarily in label and converting, flexible packaging and technical paper applications. Headquartered in Memphis, Tennessee, with a business center in Miamisburg, Ohio, Verso operates eight mills strategically located in Kentucky, Maine, Maryland, Michigan, Minnesota and Wisconsin, with a total annual production capacity of approximately 3.6 million tons of paper.
