

## Vision®

Web

### High standards on a budget.

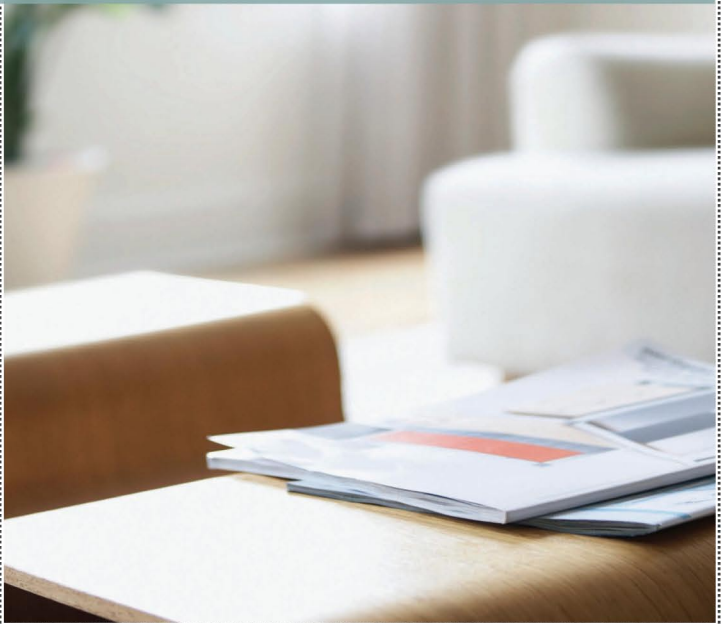

Looking for a cost-saving product without compromising brightness, image reproduction or opacity? Look no further than **Vision**. This No. 3 coated groundwood paper provides great looks and value for quality-conscious catalog and magazine applications. Recycled options are available.

#### Attributes:

- Good quality surface and print gloss for high contrast images
- Dependable on-press and bindery performance
- Outstanding opacity for enhanced readability
- Available at multiple mill locations for reliable supply and freight savings
- Recycled options available up to 10% post-consumer recycled fiber

#### Applications:

- Magazines
- Catalogs
- High-end retail inserts
- Lightweight mailings
- Commercial print applications
